

About Us

Cody.ai is an AI-powered code review firm that works with U.S. tech companies. We don't work like MNCs; we hustle like Wall Street, scale like Silicon Valley, and pay like it too.

We offer equity (ESOPs) so you own a stake in the company. Grow with us, not just for us.

Role: Graduate Trainee - GTM

- Hustle in SaaS sales via cold calling (US Market)
 - Location → Chennai and Working hours → US timings (Night shifts IST)
 - Directly interact with decision-makers in global companies
 - This role would translate into a full-time role after completion of the University course
-

Who We Want

We're looking for:

- High-energy hustlers (not 9–5 types)
 - Fearless communicators with strong English skills (cold calling is your playground)
 - Travel lovers to fly to the US to meet clients and grow accounts
 - Learners who want 10x growth, fast
 - Ownership-driven operators who want leadership roles early
-

Why Join

- Full-time Compensation: 10 LPA CTC (6L Fixed + 3L Variable + 1L ESOPs)

Monthly Internship Stipend: Rs. 10,000

- Extremely fast growth: From an individual member to managing big teams in less than one year, based on performance
- Global exposure: Dealing with the US customers and traveling to the US

At Codity.ai, comfort zones kill. Hustlers win.
